Forecast For West Midlands
Issued by Met Office Exeter
at 0400 on Tuesday 21 Sep 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Dry and warm, with hazy sunshine.

Today:
A fine and dry day, with any low cloud and fog soon clearing to leave plenty of hazy sunshine. Feeling warm in the sun, with patchy fair-weather cloud developing across southern areas during the afternoon. Maximum temperature 21 deg C (70 deg F).

Tonight:
Staying dry overnight as skies become widely clear. Light winds will allow some fog patches to develop through the early hours of Wednesday. Minimum temperature 8 deg C (46 deg F).

Wednesday:
Fine and dry again, with frequent sunny spells and some patchy cloud. Staying dry but turning breezy overnight. Maximum temperature 21 deg C (70 deg F).

Outlook for Thursday to Saturday:
Cloudier on Thursday, with patchy light rain possible at times. Mostly dry with some sunny spells on Friday. Often cloudy on Saturday, and a few showers are possible. Feeling warm.
